

Fork Mounted Sweeper

Fork Mounted Sweeper - This accessory makes industrial sweeping work much easier to finish. The handy forklift mounted broom is meant for use with either dry or wet material clean ups. It could push snow and squeegee water without problems. This attachment is frequently used in order to clean trash from warehouses, construction sites, docks, parking lots and almost wherever it is considered necessary. The lift truck sweeper is a low maintenance accessory which uses quick-tite fork products to easily connect to the forklift.
