

American Lincoln Parts

American Lincoln Part - Now linked with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machines. In the business they are known in the industry as providing durable and strong machines that meets all the needs of larger infrastructure and heavy industry. Products made in the United States; the sales are conducted nation- wide via authorized distributors, direct Government sales and national accounts.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind model of floor scrubber. Clark has their manufacturing facilities located in Springdale Arkansas. These scrubbers are on the market under the trade mark name "Encore". American Lincoln has the ability to supply parts, warranty service and machines for these scrubbers that carry both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice machine of huge distribution centers like for instance Wal-Mart and Target. The 7765 line has earned the respect of various facility managers where results and efficiency matter. Recently, this particular floor scrubber model has been used by the architects in new construction projects like Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this sweeper scrubber on site because of the model's high standard of quality and utmost performance level for polishing concrete.
